Standard Formats for Citation and Bibliography

	MLA	APA
In-Text Citation	**Basic format:** (Author and page) There may not be a page number, such as for a website. If there is no author, the title of the work is used. **Examples:** Located where the two rivers meet, the area that became known as Sumer flourished in the southern part of Mesopotamia (Guisepi and Willis). For the first time, kings and nobles edged out religious leaders as the supreme rulers. A remarkable artifact called the Sumerian King List survives as the first record of these political rulers and dynasties (Nemet-Nejat 20).	**Basic format:** (Author and date of publication) If there is no author, the title of the work is used. **Examples:** Located where the two rivers meet, the area that became known as Sumer flourished in the southern part of Mesopotamia (Guisepi & Willis, n.d.; The Editors of Encyclopaedia Britannica, n.d.).
