CAREER INTERVIEW

Try an interview with an adult you know (e.g. a parent or a friend of your family). When doing the interview, remember that it is important to be well-organized and professional. The person you interview is taking time out of his or her busy day to help you. Listen carefully to what the person says; you may be surprised by what you learn! You can use the Interview Question sheet provided to help you with the interview.

INTERVIEW QUESTION SHEET

Career:

Person's name (optional):

1. What are your main tasks or responsibilities at work?

2. What kind of education, training, or other preparation do you need to get into your career? (e.g. college degree, technical training, high school diploma, apprenticeship, on-the-job training)

3. How did you get into this career? (When you were young, did you want to do anything else? Did you have other types of jobs before this one?)

4. What personal characteristics are required for someone to be successful in your career? (e.g. being organized or creative, writing or speaking clearly, being strong, or good with your hands)

5. Have any recent changes affected your job? What changes to your career can you foresee in the future? (e.g. changes in technology, economic changes)

MY FAMILY TREE
